

Presentation Skills

Lesson 1 Back to Basics

Japanese VS English presentations.

Structure of a presentation:

Introduction

Main Body

Conclusions

Questions

Using Power Point:

How many slides?

What content?

Example presentation (Elephants)

Lesson 2 Your Story

Metaphor: Using metaphor in your presentation.

Using Technical Vocabulary

Lesson 3 Targeting Your Talk

Chunking:

Where does this fit?

What is it part of?

Pronunciation (use last year's presentations)

Body Language:

Lesson 4 Bring it all together

Handling Questions:

What to do if you don't understand the English.

What to do if you don't know the answer.

What questions will you get?

Jokes:

The importance of jokes

English jokes

Ted Talks

Give feedback to 4-5 students per lesson for lesson 2 (allow students time to give each other feedback).

Would be great if students could prepare presentations before lessons!
